I'd like some energy saving changes made to my home

OPAAL UK
advocacy works

Getting ready...

- ☐  What are my energy saving needs at home?
- ☐  What is working, or not working about my home?
- ☐  What do I think I may need to change? Lighting? Hot water use? How I heat my home?
- ☐  How do I think my energy needs could change?
- ☐  Do I have what I need to hear and see well?
- ☐  Am I feeling ready to have this talk?

I need to remember to ask my person...

- ☐  To explain things until I can fully understand.
- ☐  To keep any talk about my money totally private.
- ☐  To help me think about all my choices including new products or technology.

Before I leave I will have on a piece of paper...

- ☐  Ideas about who might be able to help me make the adjustments..
- ☐  The dates, times and instructions for any more talks or appointments.
- ☐  How to get more help and information if I need it.
- ☐  Do I feel better after the conversation?
